

Teacher candidate name \_\_\_\_\_

Student ID Number \_\_\_\_\_

According to the Metropolitan State University Education Department, qualifying “urban experience” is defined by **both** geographic location and student demographics. In terms of geographic location, urban is defined as Minneapolis, St. Paul and the inner-ring suburb school districts listed below. Please check the district where you completed your field experiences.

- |  |                                     |  |                      |
|--|-------------------------------------|--|----------------------|
| Minneapolis - 1                        | West Metro Education Program – 6069 | Mounds View – 621                      | Roseville - 623      |
| St. Paul - 625                         | Fridley – 14                        | North St. Paul-Maplewood Oakdale – 622 |                      |
| Bloomington - 271                      | Hopkins – 270                       | Osseo School District – 279            | St. Louis Park - 283 |
| Brooklyn Center - 286                  | Intermediate District 287           | Richfield - 280                        | South St. Paul - 6   |
| East Metro Integration District – 6067 |                                     | Robbinsdale – 281                      | West St. Paul - 197  |

In addition to a school’s geographic location, qualifying UTP field experiences must also closely approximate the demographics of partnering urban school districts. Please fill in the percentages for each of the categories below, and attach verifying demographic information from <http://education.state.mn.us/ReportCard2005/> or some other source.

- \_\_\_\_\_ % students of color (at least 30% is required)
- \_\_\_\_\_ % students qualifying for free/reduced lunch (at least 40% is required)
- \_\_\_\_\_ % students home language is not English or otherwise identified as “English Language Learners” (at least 10% is required)

Dates/ Hours	School or Place	Grade or Age Level(s) and Subject(s)	Type of Experience (examples: Observation, Interview, Participant Observation, Individual Tutoring, Small Group Facilitation, Teacher Assistance, Volunteer, Educational Assistant, etc)	Person(s) who can verify the times and types of experiences, and their position at the school or place where field experience was conducted	Contact Information  (Phone and Address or Email)  Signature
