2004 Spring GELS

Undergraduate Requirements

Requirements for new students admitted spring 2003 or later.

Students admitted to Metropolitan State University must attend New Student Orientation. Students must complete assessments in reading, writing and math by the end of their first semester. Students transferring fewer than 16 semester credits must also complete METR 101: Your Academic Journey during their first year after admission.

General Education/Liberal Studies/

Minnesota Transfer Curriculum (MnTC)—48 credits

The university's general education/liberal studies (GELS) requirements address the 10 goal areas of the Minnesota Transfer Curriculum. To complete general education, students must complete 40 credits addressing the 10 goal areas outlined below. To complete liberal studies, students must complete eight additional credits at the upper-division level (300-level or higher).

General Education Goals/MnTC (40 or more credits)

Goal I: Communication—Two writing courses—introductory and intermediate writing (6 or more credits).

One oral or visual communication course (3 or more credits).

Note: Students placing at the intermediate level on the university's writing assessment are required to complete intermediate-level writing only.

- Goal II: Higher Order Thinking—Students who complete the university's general education requirements will have met this goal.
- **Goal III:** Natural Sciences—At least one course including a laboratory, simulation or field experience (3 or more credits).
- Goal IV: Mathematical/Logical Reasoning—At least one course at or above the college algebra level (3 or more credits).

 Note: This requirement is waived for students placing above the college algebra level on the university's higher level math assessment.
- Goal V: History and the Social and Behavioral Sciences—At least two courses from two different disciplines (6 or more credits).
- **Goal VI:** Humanities and the Fine Arts—At least two courses from two different disciplines (6 or more credits).
- Goal VII: Human Diversity in the U.S. (3 or more credits).
- Goal VIII: Global Awareness (3 or more credits).
- Goal IX: Ethical and Civic Responsibility (3 or more credits).
- Goal X: People and the Environment (3 or more credits).

Liberal Studies (8 or more credits)

All students must complete eight upper-division semester credits (300-level or higher) from the approved GELS course list. Courses marked with an asterisk (*) do not fulfill liberal studies requirements.

GELS Electives

Students who have completed the general education goal areas and liberal studies requirements may still need additional credits to

bring the total to 48. Any course listed for Goals I–X (courses marked with an asterisk (*) are excluded) may be used as electives.

Overlap

- Only eight credits may be used to meet both GELS and major requirements; an unlimited number of GELS courses may be used to meet major prerequisites and minor requirements.
- Courses may be used to meet a maximum of two general education goals, but only if one goal is in Goals I–VI and the other goal is in Goals VII–X.
- 300-level or higher courses used to meet the liberal studies requirement may overlap with only one goal area.

Summary of Graduation Requirements

General education	40
Liberal studies	8
Major requirements	36-63*
Minimum free electives	13
Minimum total credits to graduate	120-124*
*Depends on major	
Minimum upper-division credits (300-level or higher; one-third of total)	40–41
Minimum credits completed at	30
Metropolitan State	

Notes

- Students who have completed the Minnesota Transfer Curriculum since fall 1995, or who have earned an associate of arts (A.A.) degree from a Minnesota community college or state university since 1985, do not need to complete general education requirements at Metropolitan State. However, these students must meet the university's liberal studies requirement. This exemption does not apply to the A.S., A.A.S. or other associate degrees.
- GELS requirements may be met by transfer courses or by courses completed at Metropolitan State.
- Courses approved for a goal area at another MnSCU institution will apply to the same goal area at Metropolitan State.
- Students with fewer than 16 credits must take METR 101: Your Academic Journey; all students with fewer than 30 credits may benefit from this course as well.
- Courses must be at least two semester credits (or three quarter credits) to apply toward GELS categories; other courses may be used as GELS electives
- Some courses may be used as GELS electives but may not be used to meet the goal area or liberal studies requirements (see GELS course list).

2003 General Education and Liberal Studies Course List

Spring 2003 GELS

This is the official list of Metropolitan State University courses that meet the 2003 General Education and Liberal Studies (GELS) requirements. These apply to students admitted to the university spring 2003 and after. Up to eight credits may be used to meet both major and GELS requirements. A course may be used to fulfill a maximum of two goals but one goal must be within Goals I–VI and the other goal within Goals VII–X. A course used to fulfill Liberal Studies may be used for only one goal area. (Because course content varies between institutions, this list does not guarantee that courses with the same titles from other institutions meet the same requirements.)

Note: students need 48 unduplicated credits to complete GELS. When courses are used to meet two requirements, the credit is only counted once.

Goals I-VI

Only courses numbered 399 or below and bearing two or more semester credits may be used to meet Goal Areas I–VI.

Goal I: Communication

Writing (two courses, six or more credits)

First course—one of the following:

For approved courses, see Goal VI under
2003 GELS List. In addition, students fulfilling the 1998 GELS may use history to
meet this requirement.

General Education and Liberal Studies Electives

Students who have completed the general education core areas and liberal studies may still need additional credits to bring the total to 48. Any course listed on the 2003 GELS list (courses with asterisk (*) excluded) may be used as electives.

Cultural Diversity and Global Awareness

Note: Students must complete one course in cultural diversity and a different course in global awareness. Only courses bearing three or more semester or quarter credits may be used to fulfill these two requirements. Courses meeting either of these requirements may also be used to fulfill other general education or major requirements. Courses marked with an asterisk (*) do not fulfill general education or liberal studies requirements.

Cultural Diversity in the United

Notes:

- Students who have completed the Minnesota Transfer Curriculum since fall 1995, or who have earned an associate of arts (A.A.) degree from a Minnesota community college or state university since 1985, do not have to complete the general education requirements at Metropolitan State. However, students with this general education exemption must still meet the universty's liberal studies requirements. This exemption does not apply to the A.S., A.A.S., or any other associate degrees.
- GELS requirements may be met by transfer courses or courses completed at Metropolitan State.
- Courses must be a minimum of three semester or quarter credits to meet the core area, cultural diversity, global awareness and liberal studies requirements. This restriction does not apply to general education electives.
- Students with fewer than 16 credits must take METR 101 Your Academic Journey; all students transfering fewer than 30 semester credits will benefit from taking this course.
- Up to 12 credits used to meet major requirements or prerequisites may also be used to meet general education and liberal studies requirements.
- Liberal studies requirements may not be used to fulfill any other GELS requirements.
- Core area requirements may also be used to fulfill either cultural diversity or global awareness requirements.
- Some courses may be used as GELS electives but cannot be used to meet the core areas, liberal studies, cultural diversity and global awareness (see 2003 GELS course list).
