GELS for 2010-2011

General Education/Liberal Studies/Minnesota Transfer Curriculum Requirements

Students admitted to Metropolitan State University must attend New Student Orientation. New students also must complete assessments in reading, writing and math before they can register for classes. Students who do not agree with the transfer evaluation of their general education course credits may appeal to the Admissions Office, in consultation with their advisors.

GENERAL EDUCATION/LIBERAL STUDIES/MINNESOTA TRANSFER CURRICULUM (MNTC)—48 credits

The university's general education/liberal studies (GELS) requirements address the 10 goal areas of the Minnesota Transfer Curriculum. To complete general education, students must complete 40 credits addressing the 10 goal areas outlined below. To complete liberal studies, students must complete eight additional credits at the upperdivision level (300-level or higher).

GENERAL EDUCATION GOALS/MNTC (40 or more credits)

For additional information on each of the goal areas, go to

http://www.mntransfer.org/students/plan/s_mntc.php/.

- Goal 1: Communication—Two writing courses—introductory and intermediate writing (6 or more credits). One oral or visual communication course (3 or more credits). Note: Students placing at the intermediate level on the university's writing assessment are required to complete intermediate-level writing only.
- Goal 2: Critical Thinking—Students who complete the university's general education requirements will have met this goal.
- **Goal 3: Natural Sciences**—At least one course including a laboratory, simulation or field experience (3 or more credits).
- Goal 4: Mathematical/Logical Reasoning—see GELS course list (3 or more credits). Note: This requirement is waived for

students placing above the college algebra level on the university's higher level math assessment.

Goal 5: History and the Social and Behavioral Sciences—At least two courses from two different disciplines (6 or more credits).

Goal 6: Humanities and the Fine Arts—At least two courses from two different disciplines (6 or more credits).

Goal 7: Human Diversity (3 or more credits).
Goal 8: Global Perspective (3 or more credits).
Goal 9: Civic and Ethical Responsibility (3 or more credits).

Goal 10: People and the Environment (3 or more

credits).

LIBERAL STUDIES (8 or more credits)

All students must complete eight upper-division semester credits (300-level or higher) from the approved GELS course list. Courses marked with an asterisk (*) do not fulfill liberal studies requirements.

GELS ELECTIVES

Students who have completed the general education goal areas and liberal studies requirements may still need additional credits to bring the total to 48. Any course listed for Goals 1-10 (courses marked with an asterisk [*] are excluded) may be used as electives.

OVERLAP

A single course may be used to meet a maximum of two goal areas; this rule does not apply to the Liberal Studies requirement where courses may overlap with one or two goal areas.

SUMMARY OF GRADUATION REQUIREMENTS

General education	40
Liberal studies	8
Major requirements	24-64 *
Minimum total credits to graduate	120-124

NOTES

 Students who have completed the Minnesota Transfer Curriculum since fall 1995, or who have earned an associate of arts (A.A.) degree from a Minnesota community college or state university, do not need to complete general

- education requirements at Metropolitan State. However, these students must meet the university's liberal studies requirement. This exemption does not apply to the A.S., A.A.S. or other associate degrees.
- GELS requirements may be met by transfer courses or by courses completed at Metropolitan State.
- Courses approved for a goal area at another MnSCU institution will apply to the same goal area at Metropolitan State.
- Students with fewer than 16 credits must take METR 101: Your Academic Journey; all students with fewer than 30 credits may benefit from this course as well.
- This page and the following pages are for students admitted spring 2003 or later.

General Education and Liberal Studies

Minnesota Transfer Curriculum 2010–2011 Course List

This is the official list of Metropolitan State
University courses that meet the General Education
and Liberal Studies (GELS) requirements for all
students admitted to the university spring 2003
and after. To meet General Education
requirements, students must complete each of the
ten Goal Areas and complete 48 unduplicated
credits. Eight of the 48 credits must be upper
division to fulfill Liberal Studies requirements.

Notes:

- 1. Courses meeting Goals I–VI must be numbered 399 or below.
- Only courses worth two or more semester credits can be used to meet any general education requirements.
- 3. Asterisked (*) courses can be used to meet general education Goal Area requirements, but cannot be used as electives or liberal studies.
- 4. After fulfilling the requirements for the ten goal areas, students who have not yet completed 48 credits may use any of the courses listed (except those asterisked) as electives.
- 5. If listed in two goal areas, a general education course may be used to meet both goal areas, with the exception that one course cannot be used to meet two of the goal areas VII–X. These

- credits will be counted only once toward meeting the total credit requirement of 48 credits.
- An unlimited number of credits can be used to meet both GELS and major requirements. For purposes of meeting overall graduation requirements, these credits will be counted only once.

Notes

- Students who have completed the Minnesota
 Transfer Curriculum since fall 1995, or who
 have earned an associate of arts (A.A.) degree
 from a Minnesota community college or state
 university since 1985, do not have to complete
 the general education requirements at
 Metropolitan State. However, students with
 this general education exemption must still
 meet the university's liberal studies
 requirements. This exemption does not apply
 to the A.S., A.A.S., or any other associate
 degrees.
- GELS requirements may be met by transfer courses or courses completed at Metropolitan State.
- Courses must be a minimum of three semester or quarter credits to meet the core area, cultural diversity, global awareness and liberal studies requirements. This restriction does not apply to general education electives.
- Students with fewer than 16 credits must take METR 101 Your Academic Journey; all students transferring fewer than 30 semester credits will benefit from taking this course.
- Up to 12 credits used to meet major requirements or prerequisites may also be used to meet general education and liberal studies requirements.
- Liberal studies requirements may not be used to fulfill any other GELS requirements.
- Core area requirements may also be used to fulfill either cultural diversity or global awareness requirements.
- Some courses may be used as GELS electives but cannot be used to meet the core areas, liberal studies, cultural diversity and global awareness (see 2003 GELS course list)
