***If you are transferring to another MN State College/University you should maintain student health insurance.** You will continue to receive insurance benefits for existing claims or claims that may occur in the quarters/semesters that you do not attend the college/university. If you do not continue coverage and a break in coverage occurs, you must wait one year or longer to receive benefits for any pre-existing condition.

Note: Refunds are calculated from the date the insurance company is notified to drop the coverage using this completed form. Please allow up to six weeks for the refund to be processed. If you have not received your refund after six weeks you may call United Healthcare Student Resources at 1-888-251-6243. ***Please keep a copy of this form for your own record.*
