

## Help us plant a garden!

Please help us honor Dean David Barton by donating to the David Barton Reflective Garden and Community Labyrinth project. A walking labyrinth was installed on the west side of the Library this past October. It is the first phase of a larger installation that has been designed to honor the life of David Barton, first dean of the Library and Learning Center, who passed away last summer. The next phase of the project is planned for this spring when paths and gardens will be installed surrounding the labyrinth. Visit <http://www.metrostate.edu/msweb/resources/library/labyrinth.html> to obtain more information about and to donate to the David Barton Reflective Garden and Community Labyrinth.
