B Dental Hygiene AAS Program Credits 64

C MnTC + Dental Hygiene AAS Program Credits88

Metropolitan State University

Credits to be Completed at Metro State

D Complete GELS (General Education/Liberal Studies) Requirement ... 24

*** General Education (40 credits)**

MnTC (From MState) = 24 credits

Of the credits that remain, include STAT 201 Statistics I (4) for Goal 4

*** Liberal Studies (LS) Requirement (8 upper-division credits).**

Students must take the following courses to fulfill this requirement:

PHIL 321 Medical Ethics (4)

WRIT 331 Writing in Your Major (4)

Note: The numbers here are estimates; the actual number will depend on the individual student and his/her course selections.

Please work with your advisor to ensure proper GELS and Racial Issues Graduation Requirements course selection.

Contact Metro State Dental Hygiene Academic Advisor, Farrah Fossum for any questions about remaining MnTC courses: farrah.fossum@metrostate.edu, or 651-793-1373.

Dental Hygiene BSDH Major Courses and Electives

GELS Requirement (from **D** above) 24

F GELS Requirement + Dental Hygiene BSDH Major Requirements46

Summary

Minnesota State Community and Technical College AAS Credits: C above	88
Metro State Dental Hygiene BSDH Major Credits: F above	46
TOTAL Dental Hygiene BSDH Credits	134

Articulation (Transfer) Agreement

There is an articulation agreement between Minnesota State Community and Technical College and Metropolitan State University for this program. The agreement is in effect from July 1, 2014 through July 1, 2019 unless terminated or amended by either institution.

You can view the articulation agreement at www.mntransfer.org.

- To receive the most benefit from this agreement, notify your Metropolitan State academic advisor that you are transferring to the university under this agreement.
- If an agreement has been terminated or amended, you will be allowed to complete your degree using the agreement that was in effect at the time you made a commitment to the program.

Metropolitan State University Graduation Requirements:

- All courses for the major completed with a C- or higher grade or S (Satisfactory). **The BSDH major course requirement is C.**
- A minimum of 120 total acceptable, unduplicated credits.
- A minimum of 40 upper-division credits.
- A minimum of 30 credits completed at Metropolitan State University.
- Credits completed must be distributed to meet the applicable major and program requirements as well as General Education and Liberal Studies (GELS) requirements.
- Credits completed must include the Racial Issues Graduation Requirement. Note: This requirement applies to all new undergraduate students admitted Fall 2016 or later.
- A minimum GPA (Grade Point Average) of 2.0.

Major/Program Requirements

- Program requirements are described in the college and school sections of the catalog and in departmental program materials.

Notes

1. This guide is NOT a contract unless it is based on an articulation agreement. Program requirements are subject to change without notice. Requirements for the degree are "locked in" at the time the program declaration is approved by the college.
2. This guide is for planning purposes only; it shows one way to complete your baccalaureate degree in 120 credits. Students should develop an educational plan in consultation with an academic advisor prior to, and during, enrollment at Minnesota State Community and Technical College to assure that degree requirements (general education, prerequisites, and major requirements) are fulfilled and to get assistance and information about transfer credit evaluation.
3. You are strongly encouraged to meet with an academic advisor to discuss the following:
 - Prerequisites
 - MnTC completion
 - Liberal Studies and Racial Issues Graduation Requirements
 - Major declaration process
 - Residence requirements
 - Graduation requirements
 - 40 upper-division credits requirement
4. If a Minnesota State Community and Technical College course is shown as equivalent to an upper-division course at Metropolitan State University, the Minnesota State Community and Technical College course credits will transfer to Metropolitan State as lower division. This may have an impact on the 40 upper-division credits requirement for graduation.
5. Check Transferology <https://www.transferology.com/> for course equivalencies and your transfer options.

Next Steps:

1. Go to www.choose.metrostate.edu
2. Choose Bachelor's Degree, then
3. Explore Academic Programs and Courses
4. APPLY ONLINE

choose.metrostate.edu
