Preferred Name Request Form Instructions

Metropolitan State University recognizes and supports the members of its community who wish to use preferred names where legally permissible.

- An individual is generally permitted to designate any preferred name including first, middle and/or last name. The university reserves the right to deny an inappropriate preferred name including, but not limited to, those that: avoid legal obligations, misrepresent, or violate other university, Minnesota State or State of Minnesota policies.

- Employees and students must submit a written request for the use of a preferred name using this form. Because identification is required for security purposes, the form must be submitted in person or be notarized if submitted via mail.

- Employees should submit this form in person to Human Resources, Saint Paul Campus, Founders Hall, Suite 318 or by mail (signature MUST be notarized if sent by mail) to Metropolitan State University, Saint Paul Campus, 700 East Seventh Street, Saint Paul, MN 55106-5000.

- Students should submit this form in person to Gateway at any location.

- A preferred name will appear in the e-mail address, system directories, class rosters and other university records as technically feasible except where a legal name is required.

- Employees and students will be notified only if their request is denied. Appeals of the denial of a preferred name change may be made in writing to the Director of Affirmative Action/Chief Diversity Officer within 10 business days of receipt of notification of denial. A response to the appeal will be provided in writing by the Director of Affirmative Action within 10 business days of the receipt of the written appeal.

- A preferred name will remain in effect until the requester asks that it be changed by completing another form.

Employees and students who request a preferred name and are affiliated with more than one Minnesota State institution will maintain their individual email addresses for all of their affiliated Minnesota State Institutions and all email will be delivered to one mailbox. Once preferred name has been processed by Minnesota State, Gateway Services (students) or Human Resources (employees) will notify you with instructions to set your primary email address. Primary email address is the address which is displayed as your "From" email address.
