

Metropolitan State University

Alignment with U.S. States and Jurisdiction’s Nursing Educational Requirements

Effective July 1, 2020 the U.S. Department of Education is implementing a new regulation (Regulation 34 CFR 668.43 (a) (5) (v)) which requires Metropolitan State University’s Nursing Programs to provide the following:

1. A list of all states/jurisdictions where the institution’s curriculum meets state educational requirements for professional licensure or certification;
2. A list of all states/jurisdictions where the institution’s curriculum does not meet state educational requirements for professional licensure or certification; and
3. A list of all states/jurisdictions where the institution has not made a determination of whether the curriculum meets educational requirements.

MANE BSN

State or U.S. Jurisdiction	Metropolitan State University Curriculum Meets State Education Requirements for Professional RN Licensure	Metropolitan State University Curriculum Does Not Meet State Education Requirements for Professional RN Licensure	A determination has not been made whether the curriculum meets educational requirements for Professional RN Licensure
