Department of Nursing
Applicant Policy Template
Bachelor of Science in Health Systems Studies (BSHS) Program
Approval Date: August 19, 2021

Effective Date

These policies become effective immediately upon final approval and shall remain in effect until revoked.

Purpose

Applicant policies are provided to inform prospective applicants regarding admission requirements. The most current policies are posted in each program's application section of the Metropolitan State University web site and are subject to change.

Responsibility

Each applicant is responsible for knowing and adhering to the current applicant policies for their program. The responsibility for the implementation of these policies is assigned to the Dean and faculty of the Department of Nursing.

Application Requirements

- 1. The following are requirements for full admission to the BSHS program at Metropolitan State University:
 - 1.1. Current undergraduate admission to Metropolitan State University;
 - 1.2. An official transcript indicating completion of an associate degree or an associate of science in a health-related program from a regionally accredited institution;
 - 1.3. Official transcripts for all other undergraduate or graduate study completed at the time of the application. Applicants may petition to have a transcript older than seven years from the application deadline individually reviewed for exclusion from the cumulative GPA calculation. Transcripts for elimination must not include any course requirements for the applicant's health related AS or AAS degree and courses from an omitted transcript may not be used to satisfy program admission requirements;
