Notes:	At 1211 I Got a call from AM Baldazo re: a bag that was stolen from the bookstore, because I'm at Student Center I tasked it to John Ivo 220. Jason Fellows entered at 1222 while i was playing back video looking for the blonde community member (female) that the bookstore staff described. The female clearly stole a bag from the bookstore. We were informed too late to take any action. We did attempt to locate this person to no avail. Echo was also tasked with getting video, I instructed Ivo to have Echo email Jason with what he captured. Incident ended at 1238... This is the narrative
