Student Directed Learning (SDL) Get-Started Labs

Student-Directed Learning (SDL) provides options for students who have prior learning from professional or community experience, as well as those who want to explore individualized topics. Attend a free session about:

- Using student-directed learning in your degree plan
- Developing an SDL Proposal
- Reduced Tuition Rates!

Upcoming Labs:

- Tuesday, April 18, 6:00-7:00
- Monday, May 8, noon-1:00
- Wednesday, June 7, noon-1:00
- Friday, July 14, 6:00-7:00

Register for a lab.

Or schedule an individual SDL advising appointment.
